## **FieldSmart Appraisals to Debut in Florida on June 1.**

We are expanding our property valuation services to include full FieldSmart Appraisals in the state of Florida.

Our trio of state-certified, licensed staff appraisers live and work in the Sunshine State. Brad Nelson, Clay Rodgers and Craig Custer have over 100 years of collective CRE appraisal experience. If you are not already familiar with these team members for their nationwide work on our existing FieldSmart reports, see their bios [here](#).

This team maintains respective home offices in the greater metro areas of Jacksonville, Sarasota and Orlando and will self-inspect subject properties on appraisal assignments in these locales.

Our new FieldSmart Appraisal is perfectly suitable for less complex, small commercial and multifamily properties typically under \$10 million in value.

Get ready to submit your orders for FieldSmart Appraisals beginning June 1. [Contact us](#) for more information.
